

The background of the cover is a digital illustration of a forest at night. In the center, a small, orange fox-like creature with large, upright ears and a white star-shaped patch on its muzzle is sitting in a bed of green leaves and small white flowers. The creature has its eyes closed and a gentle smile. Behind it, a large, dark tree trunk is visible on the left, and another tree with a lighter, orange-brown trunk is on the right. In the upper center, a large, dark, shadowy face with two glowing blue eyes is visible in the background. The overall color palette is dark, with deep blues and greens, contrasted by the warm orange of the creature and the white of the flowers.
